: \$	the land reform.** He was accompanied by LI Tao (), a lommonist agent who was assigned to keep him under surveillance. At the time of his departure for Peiping in early March, THLING said that if a third world were were to break out, members of the Kucmintang Revolutionary Committee (KMTRC) would sever their connections with the Committee Party and					
	seek a new way out. CHIANG also expressed the opinion that the Chinese Communicts are been pressing the purge too hard in Kwangtung and Kwangsi.					
· o	LI Chi-shen suggested at a meeting in Peiping in early February that the Communist government ease up on the purge, but LIU Shao-chi ejected strongly to the suggestion, and it was not approved.					
	Foldings in Kwangtung were confiscated.					25X′
